The following tables shows the current points totals for all Area V horse trials for 2010. NTEA awards great prizes for Champion and Reserve, and lovely ribbons thru 6th place.

- Please check your points! Do you have a question or is something wrong? Please let me know ASAP so we can straighten it out.
- If you have a question about how the points are awarded, please read the rules at www.nteventing.net.
- Special note on ownership: The points rules require both the rider and at least one owner to be NTEA members. As owner information was not provided with my results, I've included every member-rider's points, but I will check ownership before the final placings are awarded.
